

LAGHLASSER

### **COVID-19 Statement**

We have been keeping a close eye on Government guidelines since lockdown began. We are working hard to ensure the safe reopening of the cottage and are now delighted to be able to welcome guests back.

Safety of our guests is our number one priority at Laghlasser. Rest assured we are taking all the necessary steps to provide a safe environment for you to enjoy your stay. We have undertaken guidance from our booking partner, cottages.com to ensure we are certified as a safer stay and have also adhered to Visit Scotland's 'Good to Go' scheme to provide reassurance to our guests.

Our caretaker has undertaken training and is fully competent in their knowledge and practice of cleaning protocols. In combination with this we have introduced the following measures to ensure your safety during your stay with us.

- COVID-19 Cleaning Checklist
- Additional PPE & Protective Equipment for staff
- Hand sanitiser provided for guests

To ensure your safety we have been advised to remove any non essential items. Therefore we will not have all the cushions, throws, books, toys and decorative items in the cottage as we normally would.

If you or any member of your party become ill with any of the symptoms of Covid-19 during your stay with us, please let us know immediately and travel home.

We wish you well and hope that you thoroughly enjoy your stay at Laghlasser.
